

Our mission is to provide safe, reliable hire equipment and services to enable the successful delivery of customer projects.

Our vision is to become the best company in our sector to do business with, and the best to work for. Achieving our vision will require Speedy to demonstrate its commitment to responsible Information Security management.

The systems are designed to meet the requirements of ISO 27001 and implemented across the whole organisation, embracing all of our activities to ensure the long term future of both our and our customers' businesses.

Speedy has an ethical, legal and professional duty to ensure that the information it holds conforms to the principles of confidentiality, integrity and availability.

Speedy is committed to ensuring that the information it holds or is responsible for is safeguarded where necessary against inappropriate disclosure; is accurate, timely and attributable; and is available to those who should be able to access it.

It is therefore Speedy's policy to:

- Comply with and, where appropriate, exceed all relevant legislation and other requirements that apply. The Company periodically reviews its policies, performance and legislative compliance and will establish best practice to address any areas of concern
- Improve our information security management system as a continuous improvement process
- Provide all employees with all information, instruction, training and resources as necessary to promote information security awareness and meet our objectives and targets
- Set information security objectives and targets that reflect Speedy's strategy, legal requirements, performance and other business needs. We will also demonstrate that we are seeking to continuously improve by monitoring, auditing, reviewing and reporting our performance, measured against set objectives and targets
- Review this policy and management system for continuing suitability and ensure it is communicated, understood and implemented throughout the organisation

This policy statement is available at all of our locations and made available to interested parties.
